

EFFICIENT. CONVENIENT. COMFORTABLE.

STUDIO A BROCHURE

Stage A

- - - - X

Featuring ~2,000 square feet of shooting area, Stage A is the largest production facility at Aduro. Our pre-lit cyc wall with full-spectrum RGB lights is ready when you are!

Stage A also comes with a variety of facilities to make your production a breeze. With access to a kitchenette, dedicated hair/make-up/wardrobe room, a multi-purpose room for meetings or talent holding, and a second multi-purpose office or control room.

Grip and Lighting gear are just steps away in our on-site warehouse, or you can choose to add the stage grip package to your rental.
